MINISTERIAL OIL AND GAS CONFORMITY REVIEW**

TIER 1

I. APPLICATION INSTRUCTIONS FOR TIER 1 AREAS

Please complete the application in its entirety. **Please type all application information legibly.**

1. **Site Plan.** All applications must include a site plan no larger than 11x17 with multiple sheets (if necessary). The site plan must meet the following minimum criteria:
 - (a) Project boundary lines and dimensions, including lease lines and property lines.
 - (b) Location and coordinates of all proposed well holes and related accessory equipment. Location of all roadways, pipelines, tanks, treatment or other structures and facilities to be installed. Distance from proposed well holes to section/midsection lines, located within ½ mile.
 - (c) Location of all existing dwellings and structures, located within fifteen hundred and fifty (1,550) feet for all wells proposed to be drilled less than ten thousand (10,000) feet in depth or located within three thousand two hundred and seventy (3,270) feet, for all wells proposed to be drilled greater than ten thousand (10,000) feet in depth, of the proposed well holes. Identification of the use of each structure, and distances between well holes and existing buildings shall be noted. Location of existing property lines and distance from well site to property line.
 - (d) Location of all new flare gas production lines, lines for production, electrical lines, and location of tank farms to be used.
 - (e) North arrow, date the site plan was prepared, and scale.
 - (f) Location of all accessory/ancillary facilities (including truck parking, on-site storage, etc.) to be installed with the proposed wells.
 - (g) California Division of Oil, Gas and Geothermal Resources permit application number, if available.
 - (h) Identify the proposed source of water (domestic or production), if applicable.
 - (i) Show location of all proposed underground pipelines.
 - (j) Location of any existing Oil and Gas Conformity Review boundaries within and/or contiguous to the proposed boundary, including total site acreage and identification of Tier Area.
 - (k) Signature block for signature of Mineral Owner and/or Operator.
2. Submit written documentation in sufficient detail to allow the County to determine that all conditions required in Section 19.98.060 will be complied with, including all applicable mitigation measures as listed

in the approved Mitigation Monitoring and Reporting Program for the Revisions to the Zoning Ordinance (C) – 2015.

3. Submit evidence that notice was provided to Land/Surface Owners as required by Section 19.98.080 G.

II. ADDITIONAL APPLICATION INSTRUCTIONS

1. **Filing Fees.** A Review fee of \$1,310 is required. Any additional mitigation fees will be calculated during processing of this permit and will be required to be paid upon issuance.
2. **Site Description.** Submittal of a complete and accurate site description is required. Use of Section, Township and Range may be acceptable.
3. **Processing Time.** Processing time is variable for each request and is dependent on the requirement for land/surface owner signature per Section 19.98.085 of the Zoning Ordinance. Processing time is generally 7 business days, beginning with the next full business day for applications submitted after 12:00pm. For processing of applications not containing the required land/surface owner signature, applications will be processed on the 30th day from submittal.
4. **Questions and Assistance.** Department Staff is available to answer questions or provide assistance in the preparation of an Oil and Gas Conformity Review.

SECTION H - INDEMNIFICATION AGREEMENT

In consideration by the County of Kern of a permit for an Oil and Gas Conformity Review located at

(address or general location)

I/We (identified below) agree to indemnify, defend, and hold harmless the County of Kern and its officers, agents, employees, departments, commissioners and boards ("County" herein) against any and all liability, claims, actions, causes of action or demands whatsoever against them, or any of them, before administrative or judicial tribunals of any kind whatsoever, in any way arising from, the Applicant's representations contained within this application, including without limitation any CEQA determination or any related development approvals or conditions, whether imposed by County or not, except for County's sole active negligence or willful misconduct.

This indemnification agreement does not prevent the Applicant or property owner from challenging any decision by County related to this project and the obligations of this condition apply regardless of whether any other permits or entitlements are issued.

County will promptly notify Applicant and property owner (if different than Applicant) of any such claim, action, or proceeding, falling under this condition within thirty days of actually receiving such claim. County, in its sole discretion, shall be allowed to choose the attorney or outside law firm to defend County at the sole cost and expense of the Applicant and/or property owner, jointly and severally, and City is not obligated to use any law firm or attorney chosen by another entity or party.
